About this "Notes Labeled" Songbook

This "notes labeled" songbook is for children who just starting to read music notation. Learning to read music can be difficult at first, and so in order to provide assistance, this book labels each of the note names. This "notes labeled" songbook can be used as a stepping-stone toward its companion book that features standard music notation.

Chord symbols can be used by another musician, when accompanying on another instrument
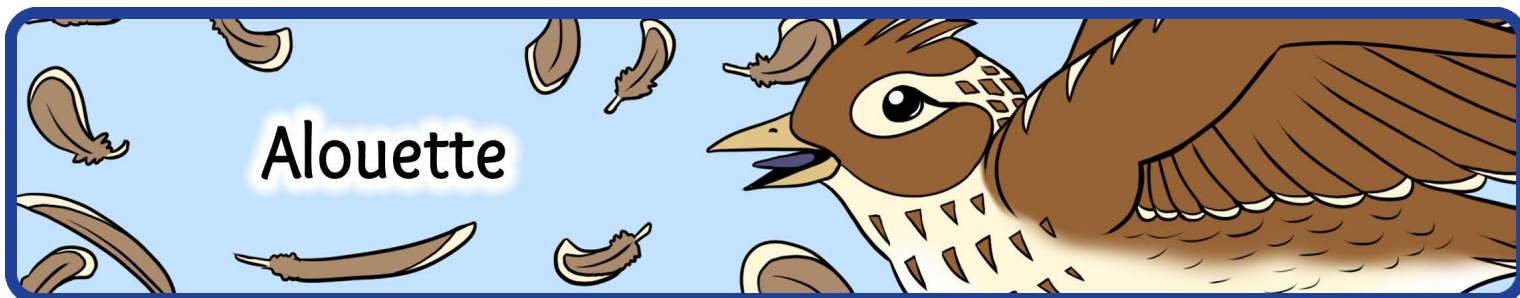

Note names have been labeled to make learning to read music much easier

London Bridge is falling down,

Songs are scored in the best keys for easy and efficient fingerings

Song lyrics are included and line up directly with melody notes

Tip: If "note labels" appear too small to read on your device, zoom in to increase notation size.
